The year of the elephant (Am Al-Feel):

It is introducing the incidents of the Elephant Army invasion of Makkah that occurred during the year of birth of the Prophet Muhammed (PBUH).

The year of the elephant (Am Al-Feel):

“Abraha al Ashram” was the ruler of Yemen. Abraha thought of building a place (like the Kaaba in Makkah) in Sanaa (the capital of Yemen) to attract the Arabs to perform the pilgrimage there.

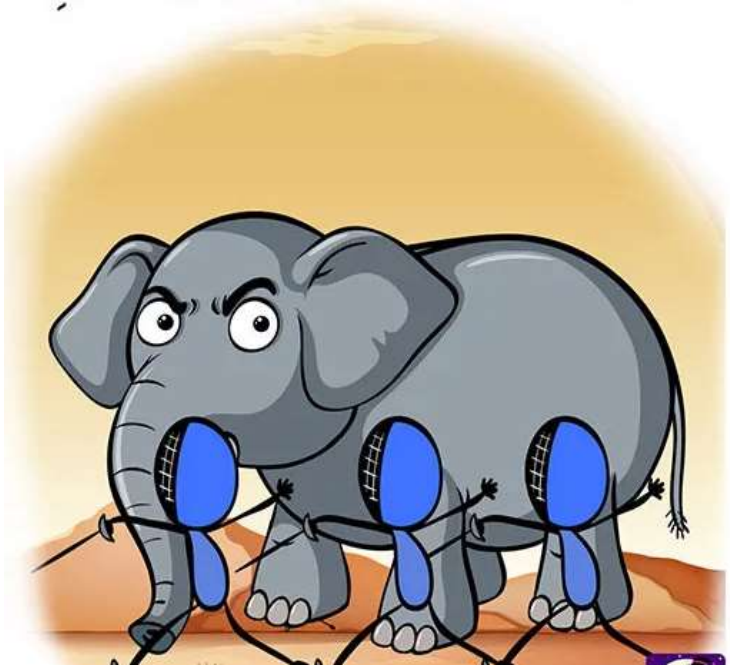

The year of the elephant (Am Al-Feel):

He built a unique awesome temple but what happened was that a man from the Quraish Tribe came to it and became angry at faking a copy of Kabba, so he throw garbage on it and its walls became dirty.

The year of the elephant (Am Al-Feel):

This enraged Abraha so he launched an invasion by thirteen huge elephants in his army to destroy Kabba. When this army approached Makka, the Chief of Makkah (Abd Al Muttalib Ibn Hashim, the grandfather of Prophet Muhammed (PBUH), Abd Al Muttalib ordered the people of Makkah to evacuate the city and make du'aa.

The year of the elephant (Am Al-Feel):

After the city had been evacuated, the army moved towards Makkah until they reached a valley called Muhasir.

In the middle of this valley, suddenly it was raided by countless flocks of birds, throwing that army with tiny small burning stones dissolving the flesh of every soldier and bursting him into pieces.

The year of the elephant (Am Al-Feel):

And this was the end of the enemy who tried to declare war against Allah and this was how Allah protects his sacred place the Kabba.

The year of the elephant (Am Al-Feel):

This year became known as the year of the elephant, which is also the year in which Prophet Muhammad PBUH was born.
